Dear Harold;

Enclosed please find a clipping from the Dallas Morning News which mentions you and your work. I hope you will enjoy reading it. A similar article appeared in the Daily Oklahoman.

I am currently in Dallas, staying with my aunt and uncle. I hope to be able to go to Dealey Plaza before I leave.

Don't bother to reply to this letter, I just thought you might like to read the clipping. Also, I saw your picture in the National Tattler. The article was quite interesting.

Best Wishes,

James E. Moore
